

*(This takes place at an ice cream stand after the championship soccer game [we could change the sport if everyone hates soccer]. Tyler and Patrick played on the winning team, Izzy is Tyler's little sister and was watching the game)*

Patrick: Dude, that was insane!

Tyler: *(shrugging)* Thanks, Pat. You did great, too.

Izzy: Seriously, Tyler, that was amazing. I thought the “last second win” thing only happened in movies.

*(Tyler is visibly uncomfortable with all of the praise)*

Izzy: *(Noticing the discomfort and changing the subject)* Hey, when's the next game?

Patrick: It's 2 weeks from now, will you be there?

Izzy: Where is it?

Patrick: It's an away game, but we don't know where yet. *(very mansplain-y because we don't like him)* We have to wait until a couple of other schools finish their games and then we're assigned teams to play.

Izzy: Ok, um, *(turning to Tyler)* are you excited?

Tyler: Yeah, sure, what do you want?

*(The group orders and gets their ice cream)*

Tyler: Hey, I'm gonna go talk to the other guys.

Izzy: I'll go with yo-

Tyler: No, you guys talk. *(Tyler walks away quickly)*

*(Ellie has no idea what to do)*

Patrick: Man, that was a really great win.

Izzy: Yeah, you guys did great.

Patrick: Did you see me score in the first period?

Izzy: Um... I was actually looking at my biology notes for some of the game. I must have missed it.

Patrick: You brought biology notes?

Izzy: Yeah *(Patrick rolls his eyes)* I've got a big test on Tuesday that I have to be ready for.

Patrick: You have all weekend to study!

Izzy: I know, but I can't do it all at once. I was just looking at them when nothing was really happening.

Patrick: There was always something happening, this was a huge game for us!

Izzy: I know.

Patrick: You know, not paying attention to our game is really disrespectful.

Izzy: Patrick, I'm sorry. I'll pay attention at the next one, I promise.

*(Tyler comes back)*

Tyler: You guys ok?

Izzy: Yeah, we-

Patrick: She wasn't even paying attention to the game.

Izzy: I brought my biology notes and missed his goal.

Tyler: It's fine, you've watched us score a bunch before and it's not like Patrick isn't going to score in the next game. *(He turns to Patrick)* She'll see the next one, ok?

*(Ellie walks off because men suck)*

Tyler: Just be patient with her, ok? Tests are a really big deal to her.

Patrick: This game was a huge deal to me? She doesn't see that?

Tyler: Yes, she does, and she was still there to show her support

Patrick: She didn't watch!

Tyler: You can't ask her to pause the rest of her life for you!

Patrick: It's a couple of hours, I don't see why she can't wait.

Tyler: Look, man, I know that you like her and you want to impress her, but I did everything I could to get her to this game, ok? She came, she watched most of it, she got ice cream with us to celebrate, I don't know what else you want me to do.

Patrick: I don't want *you* to do anything, I wanted *her* to watch the game.

Tyler: And she did, I'm sorry that's not enough for you. Now, I'm gonna spend the rest of the night celebrating a victory with my team. Are you joining me or not?

*(Patrick shakes off his disappointment and joining Tyler with the rest of the team.)*
