OLD BUSINESS:

Approval of minutes of the last meeting: Previously adopted.

Treasurer's Report: (Rae Ewer)

Rae reviewed the June Treasurer's Report. While the end balance reflected on the report was \$4,046.32 (see attached), the actual available balance as of the June meeting was \$3,236.97, after all camp expenses were deducted. Given the upcoming HUDL disbursement (\$950), the actual available funds are \$2,286.97. Additional car wash funds were expected over the summer.

With respect to the 2022-2023 budget, a draft budget was prepared by Tamara Bronson and Rae Ewer. This budget will remain in draft form pending final review and adoption.

NEW BUSINESS:

Coach's Report: (Paula Clendaniel)

Coach Clendaniel reported that the summer team bonding event was a huge success, and is likely an event which will be repeated in the

future. The boosters thanks the Bronson family for hosting. Coach Clendaniel also provided a summer league wrap-up report. She projected that the team would participate in the full Cedar Cliff 2023 summer league and would not participate in the CYS league.

With respect to the Northern Skills Camp, Coach Clendaniel reported that the event was a huge success. Skills Camp drew 105 total registered campers, which exceeded pre-covid levels and was an all-time high. Overall, the week was a huge success, with several of the high school girls serving as camp counselors for junior campers.

Volunteers:

The Boosters discussed ways to increase and incentivize parents to volunteer during the upcoming season. It was decided that three firm volunteer spots needed to be filled: (1) middle school liaison, (2) concessions stand coordination, and (3) travel coordinator. Tamara Bronson agreed to write up position descriptions and distribute them before the next meeting.

Travel suits:

Another robust discussion occurred relating to travel suits. Heidi reported that her dad exhausted all affordable options. At the time of the meeting, Nike appeared not to be an option, and it was agreed to further investigate the SporTEC option.

It was also decided that pant samples would be ordered and additional discussions would be ongoing over the style, brand, and quantity of travel suits to be ordered.

It was also decided that the Boosters would purchase travel suit jackets for all coaches.

Meeting Adjourned: 8:22 pm
