

MRS. FOSTERS ENRICHMENT ACTIVITIES

MRS. FOSTER – MFOSTER@NORTHERNYORK.ORG

ENRICHMENT AND FAMILY ACTIVITIES:

- Take mental and physical breaks during your bouts of on-line learning.
- Take time to plan a meal and cook together. This is a great opportunity for mathematics in the kitchen.
- Enjoy a leisurely walk. Find a small (12 inches by 12 inches) outdoor plot and take a daily picture of it. Analyze the changes you see daily. Record your observations and take in the wonder of nature.
- Take time to explore your drawing and crafting skills.
- Share family stories and capture them in writing.
