

## READING RESOURCES

MRS. TAYLOR – [METAYLOR@NORTHERNYORK.ORG](mailto:METAYLOR@NORTHERNYORK.ORG)

Due to the copyright access of materials, I have shared specific resources and directions for engagement via email.

This additional **K-2** online resource contains some fun videos you can watch to practice phonemic awareness and manipulation of sounds. These resources are optional and each activity takes about 5-7 minutes. You can watch and interact with one video per day or find a schedule that works best for you!

- Go to the following website:

- Click on the link titled: **Interactive Heggerty Lesson Videos for Kindergarten, 1st and 2nd Grade**
- Choose from **Week 14, 15, 27 or 28**, depending on what is just right for you.

If you are unable to access this website and/or wish to have other ways to engage with your learner, please contact me at [metaylor@northernnyork.org](mailto:metaylor@northernnyork.org).
