

Classroom Behavior Contract

Welcome to 5th grade! In order to help your child have a successful year, we have reviewed our classroom expectations today. Outlined below is a classroom management contract. This contract will be implemented in each classroom to promote clear, consistent expectations. We ask that you review this with your child at home. Please sign and return by Thursday, September 7. Feel free to contact either of us if you have any questions.

-Mrs. Hammock and Mrs. Lohr

Class Dojo

ClassDojo is a web based program which allows teachers to track students' behaviors (positive AND negative) easily and efficiently. You should have received a paper which outlines how to download the app and sign up. This program is also accessible by using the website. Here is how we will be using this program for classroom management.

Positive Points

- Each student will receive +5 points every single morning, which is 1 point per class.
- These positive points will be awarded as **“Ready to Learn”**
- These are your child's points to keep as long as they exhibit “ready to learn” behavior all day.

Negative Points

- If your child exhibits any behavior that needs improvement, a point will be deducted as **“Needs Improvement”** in Class Dojo
- To see which class period in which the point was deducted, see your child's assignment book.
- A checkmark will appear in the assignment book within the class the behavior occurred.

Additional Information

- Class Dojo will only be used for the virtual points board and class story (sharing pictures and events)
- We will be communicating questions, comments, and/or concerns regarding individual children through **e-mail only**. We will not be using the messaging feature through Dojo.
