

Topic: ____Affixes_____

How It Makes Sense to Me

Key Terms:

Prefix

Suffix

Root Word

My Definition:

Approved Definition:

A group of letters added to a root word to change its meaning

Example:

Choose 5 prefixes and 5 suffixes from the samples in the power point

On My Own:

Create 5 examples of prefixes and suffixes not found in the power point

Prefix- Adding letters to the BEGINNING of root words

Suffix- adding letters to the END of root words

Root Word- most basic part. What is left after Prefixes and suffixes have been removed.
