Prompt

My Definition:

Approved Definition:

Using one's own knowledge along with cited evidence from a passage to respond to a prompt or question that is not answered directly in the text

Example:

Analyze why dodgeball is so debated among individuals. Cite evidence from the text to support your ideas.

On My Own:

Evidence-details from a passage that supports ideas

Analysis-to study or look at something carefully

with focus

Text-Dependent-info

comes directly from the Passage (can be touched)

Prompt-question or

Statement which requires a response.

Cite-to mention or quote as an example or to support an idea, claim, or opinion.

(pg #, par.#, etc.)
