

WELCOME!

To kick off the school year, I would like to briefly inform everyone about something called *Football Friday*. Every Friday during the high school season, it will be *Football Friday*. Students are encouraged to wear their football attire that supports any local, college, or NFL team. During morning meeting we will briefly discuss Northern's schedule and make predictions for the upcoming game.

In our classroom we have a "Community Wall." If students attend a game or special event with family (it does not have to be a football game), they are encouraged to send in a picture to be displayed on our wall!

Best regards,
Mrs. Snyder
