

Fix My Paragraph!

Name: _____

Directions: Rewrite the paragraph in complete sentences. You might need to take out or add a few words for the paragraph to make sense. A sentence has a subject, a verb and is a complete thought.

I woke up at about 9:30 and then I went downstairs to eat breakfast after breakfast my mom made me go back upstairs for a shower and told me to get dressed and to hurry up because we were supposed to go to the store to buy my new shoes I was so. Excited. I couldn't wait for. Black and Red. I really wanted to get to the store so I washed up really quickly and tossed on some clothes and tied the laces of my old sneakers that were. Falling apart and practically flew down the stairs.

[illegible]
