<p>Storyline Online  <a href="https://www.storylineonline.net/">https://www.storylineonline.net/</a></p> <p>You can read a book and then talk about character, setting and do a retelling at the end</p>	<p>Classlink apps that we recommend</p> <ul style="list-style-type: none"> <li>-Brainpop jr</li> <li>ABCya</li> <li>Dreambox</li> <li>Kids A-Z</li> <li>Tumblebook Library</li> </ul> <p>If you can't get into classlink because you can't find your child's ID number, please just email me</p>	<p>ABCya- classlink</p> <p>You can access this through classlink but it has good resources for both math and reading</p>	<p>Dreambox- login through classlink</p> <p>This will be the main source of math work for your child while they are off of school. If they aren't sure, please have them hit the ? button rather than telling them what to do. They are supposed to try to figure these things out on their own and problem solve.</p>	<p>Heidi Songs Sight word songs on youtube. Not all of the sight words can be found here but a lot of ones that we have done previously will be on here for free</p>
