Title 1 Reading - Parent Compact

As a Reading Specialist at Northern Elementary, I believe that school is an important experience to each student. As a role model and teacher, I agree to do the following:

- ❖ Teach and prepare your child to meet the district's academic standards.
- ❖ Strive to meet the individual needs of your child.
- ❖ Communicate regularly with you, the parents, and the classroom teacher about the needs and progress of your child.

As a parent or caregiver, I realize that my child's school experience is very important, and my participation will help his/her achievement and attitude. I agree to the following:

- ❖ Support learning by encouraging opportunities for reading.
- ❖ Monitor and participate in reading homework.
- ❖ Read with my child every day.
- ❖ Attend Title 1 events and parent conferences to stay in touch with teachers and my student's progress.

Please sign and return:

- ❖ I have read and understand the Parent Compact.
