#LetsStayConnected: NES Highlights

RED RIBBON WEEK focused on healthy choices, character counts and strengthening several of the C's: confidence, creativity, collaboration, compassion and contribution!

Farmer Melissa Jacoby joined our Cubs for **LUNCH WITH A FARMER** sharing local produce and happenings at the Dillsburg Farmer's Market. On January 01, mosey on over to our School Website

for a link to our first podcast focused on 21st Century Farming and what it means for our kids today! Our **FARM TO SCHOOL CONNECTION** continued with GR3's visit to Brown's Farm and partnership with the High School FFA, resulting in GR3-KDG pumpkin math activities back at school!

Our Home-School Partnership continues to strengthen our Cub experiences! **LITERACY NIGHT**, crafted around the 4 C's of 21st Century Learning, gave our cubs the opportunity to collaborate and create, previewing our journey to integrate #SparkSpaces in our school! **AMERICAN EDUCATION WEEK** offered classroom visits, parent-teacher conferences, and a tremendous outpouring of love for our staff with the #PTO hosted staff luncheon!

VETERANS' DAY, one of our most honored days, particularly in this **YEAR OF STRENGTH**, spotlighted 60 of our local heroes, along with their spouses. A #PTO hosted breakfast and school-wide assembly featuring NES song, spirit, and sentiments gave our cubs the chance to share #WhatMakesOurCountryStrong! Video to come!
